I have worked as a Software Developer in Cybage Software Pvt. Ltd. for a year. I was highly engaged in all aspects of the project and ultimately guaranteeing customer satisfaction. I got certified as a HighJump Core Technical Programmer by the HighJump B2Bi.

Currently, I am doing my Graduate Level Course in Computer Information Systems at the University of Houston with a GPA of 3.78. I am organizing the New International Student Orientation at the University of Houston for the new International Graduate and Undergraduate Students.

I'm a highly focused individual and a positive team player. Completing the work and perfecting it is my goal. I'm adaptive and a good learner so I want to be knowledgeable and enhance my skillset.

I have a Bachelor of Engineering from Chaitanya Bharathi Institute of Technology(CBIT) in Computer Science.

I'm actively seeking internships for Summer 2017 and for new opportunities after my graduation. You can reach either through this profile or by phone at [...]
