WORK EXPERIENCE

Software Engineer
Tech Mahindra Ltd   -   Mumbai, Maharashtra - September 2014 to July 2016

• Developed provisioning logic for the Network Element Interfaces using JAVA.
• Developed Automation Test scripts as a Team Lead for Automation testing, using JAVA, Selenium IDE, Eclipse IDE, TestNG and JUnit Web Driver.
• Processed complex requests from OSS/BSS systems and created responses to them based on the provisioning logic using the InstantLink Business Service Tool web-based user interface.
• Performed Manual Testing of R6 Infonova UI.
• Underwent Initial Training Program (ITP) on technologies like JAVA, JavaScript, C, UNIX, DBMS, SQL, PL/SQL, HTML, CSS, XML, J2EE Servlets and JSP.

Curriculum Projects
• 'E-City Guide' (B.E.(Undergraduate) Final year project)
A question-answer portal using J2EE Servlets and JSP, DBMS, JDBC, JavaScript, HTML, CSS. Here, anybody
could post a question to find a place, and anybody could answer the question. My role was to develop the front-end UI, implement the logic and design the databases.

• 'Gym Management Portal' (Mini-Project)
Using HTML, CSS, JavaScript and MySQL. A website where users could register for the gym membership. I was
majorly involved in the development of the front-end UI and also keep a track of the database.

Extra/Co-Curricular Activities
• Completed certification in Oracle Certified Professional JAVA Programmer (OCPJP).
• Event Owner of the CSR event where underprivileged children were helped in developing Public Speaking skills while working with Tech Mahindra Ltd.
• Actively participated in various Corporate Social Responsibility (CSR) activities like teaching basic computer subjects to underprivileged children, tree plantation in underprivileged schools etc.
• Actively participated in organizing annual festivals in Tech Mahindra Ltd.
• An active member of the working committee in organizing annual festivals including Technical and Cultural festivals in College.

EDUCATION

Masters of Science in Computer Science

George Mason University   -   Fairfax, VA
May 2018

Bachelor of Engineering in Computer Engineering
University of Mumbai   -   Mumbai, Maharashtra
2014
